The Oahu Railway

Affords Tourists and others an
opportunity to view unequalled
variety of Scenery.

Leaving Honolulu and pass-
ing through rice fields, the
traveler skirts the great in-
land waters of Pearl Harbor
in sight of charming distant
mountain views, often span-
ned by many rainbows. The
mountains further on crowd
the railway close to the ocean.

B. F. DILLINGHAM,
General Manager.

Here and there deep valleys,
guarded by high mountain
sides almost perpendicular,
give sun and clouds an op-
portunity to display wonder-
ful combinations of light and
shadow on the varied greens
and browns of the landscape.
Along the line are situated the

G. P. DENISON,
Superintendent.

most productive sugar planta-
tions in the world, each re-
presenting an investment of
millions of dollars, so vast are
the agricultural operations,
their pumping plants equalling
those of the greatest cities,
and mills producing hundred
of tons of sugar daily.
